Magandang araw po kabayan.

I am writing you today with a permission¹ from our respective community leaders to express' COFOREX support to our organization's educational scholarship program.

In 2009, with your help we have both supported the community. In every sale of your balikbayan box shipment we have donated a portion of the sale, with the program's success we would like to continue that in 2010.

We know the value of education and I'm sure you remember what your parents usually say "edukasyon lang ang tanging yaman na hindi mananakaw". We are fortunate that our Fil-Am community developed a scholarship program for our children, our future leaders and they need our support in funding this program.

We have expressed our support to the Fil-Am community and we would like to partner with you in supporting our organizations scholarship program. How? In every sale of your balikbayan box shipment COFOREX will donate \$5², and for every sale of the empty balikbayan box, \$2³ will also be donated a total of \$7. In this way we can make a difference.

This is only one of the many programs available for us. If you are an individual or parent and have not joined to the local Fil-Am organization, we encourage you to do so. There are a lot of opportunities and program available. Come out and join the club.

Here are the few organizations we currently support where scholarship program is available Philippine American Society of Colorado (PASC), Filipino-American Community of Southern Colorado (FACSC) and Filipino American Community of Colorado (FACC).

Our support to the Fil-Am community is not limited to educational program we are also supporting other organizations for their community development program. Organizations such as Gawad Kalinga (GK), Couples for Christ (CfC), Bayanihan Ministries and Philippine Nurses Association of Colorado (PNACO).

As some of us are a member of more than one organization and/or would like to direct the funds somewhere else, we advised you to designate one organization per shipment invoice noted next to your name and the check will be issued to the organization on a monthly basis.

I encourage you sharing this message to your friends and family so we can all support our Fil-Am community.

We look forward for your support of this program and if you have any question regarding this matter feel free to give us a call (303) 317-3989.

Sincerely,

Abe Adriano
